

Inspired by European modernist furniture, designer Michael Berman has created Biarritz, a unique collection of lounge and dining pieces characterized by a lightness and flair that is well suited to gracious contemporary lifestyles. The curvilinear silhouette, finely crafted in aluminum and Brown Jordan's proprietary Parabolic® stretch fabric, strikes an uncommon balance between timeless style and present relevance, bringing a classic silhouette with fresh contemporary appeal to interior and exterior spaces.

Available in all finishes with Parabolic® Sling.
Shown above in Caper finish with Fin sling.
