

Poolside or on a sunny patio, Brown Jordan umbrellas and sunshades marry style with durability, providing the protection and comfort desired. Umbrella canopies are available in high-performance Suncloth® or Versatex® mesh, poles in finished and anodized aluminum, as well as teak and natural ash. Precision-engineered stainless steel hardware ensures that your umbrella will open and close smoothly and easily.

Shown above 1390-0031-C 8' hexagon ash pole umbrella with Melon canopy.
