

The Coast collection draws its beauty from its uncomplicated, harmonious architecture. Coast's sleek contour integrates straight lines with unique slopes and curves. A traditional coil element adorns the armrests, uniquely joined to the front legs in a sloping fashion. The concave effect of the chair's back is echoed in the front of the seat, further emphasizing the overall form.

Available in all finishes with Parabolic® sling.  
Shown above in Laurel finish with Strato sling; Madison Stripes rug in Sunset; Vega top in Bone.
