RUTHERFORD  
Wood Fireplace

# RUTHERFORD

## True masonry appeal.

The Rutherford offers an authentic masonry look. Available in 36", 42" and 50" sizes, the Rutherford is designed to be installed flush to the floor or on a raised hearth. Traditional or herringbone refractory interior panels with true masonry grout lines add to the authentic appearance.

Cover: Rutherford shown with herringbone refractory, standard mesh, fireside grand oak log set and custom surround. Right: Rutherford shown with traditional refractory, mesh cabinet style doors, and fireside grand oak gas log set.

Dimensions above are in inches. Reference dimensions only. We recommend measuring individual units at installation. NOTE: Combustible material should not be installed over the face. Make sure you do NOT cover the decorative door opening.

Refer to installation manual for detailed specifications on installing this product. Heat & Glo reserves the right to update units periodically. The flame and ember appearance may vary based on the type of fuel burned and the venting configuration used. Pictures in this brochure are not a true representation of the fireplace and/or flames.
