AURORA ICON SERIES | ALUMINUM

Turn up the heat and light up the night with Aurora. These stunning tables use Homecrest's Icon Table Series, achieving a look that is remarkably high design while retaining all of the strength and weather-resistance you have come to expect from Homecrest. Available in 19" coffee and 24.5" chat table heights with a powerful 65,000 BTU burner, Aurora's beauty will create an atmosphere of relaxation and conversation. Infinitely customizable, choose from three unique table surfaces in a variety of finishes, shapes and sizes, select any Homecrest frame finish for your base and side panels (Duo-Tone available), and mirror design elements of your outdoor space by selecting from a wide variety of shimmering fire jewelry.
