### **Cleaning Instructions For Sea Island Slipcovers**

This slipcover is 100% Polyester and may be easily cleaned if the following instructions are followed carefully.

1. Unzip and remove the slipcover from the body of the chair, settee, or ottoman; also remove slipcover from any seat or back cushions.
2. Place the slipcovers in your washing machine tub, add the prescribed amount of mild detergent. Do not use any fabric softeners or other additives.
3. Use the gentle cycle to wash the slipcovers.
4. When the spin cycle is complete, remove the slipcovers immediately to reduce the amount of wrinkling, place the slipcover on the body of the chair and zip closed. Allow the slipcover to dry on the frame, this will also help to reduce wrinkling. Slipcovers should also be placed on the seat and back cushions and allowed to dry apart from the chair frame.
5. DO NOT DRY IN THE DRYER OR USE A HOT IRON ON THIS FABRIC.
