

INTRODUCING THE EXCITING NEW PROFILE FACES FOR LOPI® GAS INSERTS!

Lopi's brand new series of Profile™ Faces are the perfect choice for anyone seeking a sleek, open face design for their gas insert. The tight, clean style of these faces provides a stunning accent to the fire while offering a transitional look that will complement any home's décor.

Black Painted

Stainless Steel

Bronze Painted

The Profile Faces feature four beautiful finishes, allowing you to create your own unique personalized look. Choose from Black Painted, Bronze Painted, or Stainless Steel finishes that are available with most Lopi® gas insert models!
