Celebrating the beauty of materials, our Marin Collection, designed by Michael Berman, is constructed of solid teak and detailed with stainless steel accents that highlight the warmth of the wood. A hand-combed finish lends the natural teak a soft luster and smooth feel. Evoking the elegance of European modernism and the clean lines of contemporary furniture, Marin lends character and style to any contemporary beach house or traditional country home.

Available in Natural Teak with Suncloth® cushions, Mantle Leather and Suede cushions. Shown above in Natural Teak with Suede-Flame cushions; pillow in Mantle Leather with Flame welt.
