

Parkway Modular provides a modular seating option to coordinate with the popular Parkway Sling and Parkway cushion collections. The ten-piece collection can be positioned to form an L-shape or a variety of geometric shapes that easily allows for entertaining large groups. An alternative design option is the inclusion of the Chocolate Resinweave® panels to complete the sleek tailored look.

Available in all finishes with Suncloth® cushion. Available with optional Chocolate Resinweave® panels.
Shown above in Titanium finish with Brussels-Spa cushions; pillows in Papyrus-Spa and Casablanca-Spa.
