An ideal choice for the garden, deck or around the pool, the Tamiami collection has been expanded to include Brown Jordan's resilient Suncloth® straps that subtly stretch and conform to the body to provide extraordinary comfort. The 7/8" straps are expertly woven for strength and resilience over a light, yet sturdy, powder coated aluminum frame, updating this classic collection in a fresh and perhaps surprising way.

Available in all finishes with 7/8 Suncloth® strap.
Shown above in Mica finish with Mica 7/8 Suncloth® strap.
