\*Not suitable for contract use.

As the name suggests, our Wave Collection is defined by a dynamic form that energizes an outdoor space while also ensuring bodily ease. Wave seating pairs a fluid aluminum frame with a breathable, ergonomic sling made of Brown Jordan's proprietary Parabolic® textile. Coordinating Wave tables are elegantly formed and available with a clear or solar gray glass top.

Available in all finishes with Parabolic® Sling.  
Shown above in Caper finish with Helio sling.
